

## Arrival/Dismissal/Childcare

Drop-off and pick-up times will remain the same as they have been in years past with staggered times by division. Carpool dropoff will begin at 7:35 am for students each day.

*Parents/guests are not allowed to enter the buildings.* Walk-up drop-off will continue with students being received at the entry doors for ECS and Gardner Hall. Middle and Upper School students must report to their first period class upon building entry. Appropriate distancing and masks are required for all. The number of faculty assigned to both morning and afternoon duty will be increased to aid in distancing and supporting logistics.

Early morning care and extended day care will be provided. Families must pre-register to reserve a seat for each child attending. Additional communication will be provided from Tanesha White, Program Director.
